

## **INTRODUCTION**

### **Section 9:**

### **NENA RECOMMENDED STANDARDS**

### **Description:**

**This section will provide recommended standard documents provided by the National Emergency Number Association (NENA).**

### **Comments:**

**The NENA Executive Board has recommended these practices for industry acceptance and use. These documents have been prepared solely for the voluntary use of E 9-1-1 Service Providers, E 9-1-1 equipment vendors and participating System Providers.**
